2. An E grade shall be a part of the grading scale for each institution. It is up to the individual faculty member to exercise this option.

Campuses may retain institutional practices related to forgiveness or academic renewal policies in which, under certain circumstances, students may repeat failed courses or disregard course work.

3. All withdrawals indicate that the student did not complete the course. Each institution determines the timeline for assigning the W.
4. The course syllabus shall contain a clear explanation of the grading scale to be used by the faculty member. Students may not appeal the format an instructor chooses.

These recommendations become effective Fall 1993.(B/R 6/93)
