Towards Sustainability: *What can you do now?*

Some examples in your personnel life:

- Make sure, Off is off;
- Reduce, then reuse, then recycle;
- Look for the energy star;
- Stop washing dishes by hand;
- Compost;
- Look for local food and products;
- Power the grid.

Some examples in your social life:

- Reach out to your neighbors;
- Get involved in your local school;
- Join an environmental advocacy group;
- Run for town council or higher, put yourself out in the public eye;
- Vote for eco-friendly policies and candidates.
